SUNDAY IN
ORDINARY TIME

He put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "Ephphatha!"—that is, "Be opened!"
- Mk 7:33b-34

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

"Jesus? went by way of Sidon? into the district of the Decapolis." For most of Jesus' ministry, he remains in Galilee and areas with a predominantly Jewish population. Today, however, we see Jesus traveling through a heavily pagan area. This makes the utterance of faith in today's Gospel all the more astounding. "He has done all things well." In this story, a deaf man is brought to Jesus. This man is not without community! Despite communication difficulties due to a speech impediment, his people bring him before Jesus. Jesus lays hands upon the man and commands his broken body to change. "Be opened!" Immediately the man's ears were opened, his speech impediment was removed, and he spoke plainly." The community is stunned. They can't stop telling the story. The more Jesus asks them to settle down, the more they proclaim! The Jewish people expected a Messiah but a Messiah with very particular qualifications. The Greeks and pagans anticipated no such savior. There were no expectations to meet. They had a special capacity to be completely, utterly surprised.

As Catholics, it can be easy to become accustomed to the songs and the prayers, to the routine of religious education drop-offs and Sunday Mass attendance. By now, we may have very particular expectations. When was the last time you allowed yourself to be surprised by God? Sometimes we are all like the deaf man in today's Gospel. God wants to speak to us, but we can't hear clearly. In your prayer this week, go before God honestly. Give yourself permission to drop your expectations and assumptions. Ask Him to renew your faith to show you how, in your life, "He has done all things well."

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

Dear Padre

No one talks about mortal and venial sin any more. What is the difference?

A mortal sin, as its name suggests, is a serious or “deadly sin.” Venial sins are less serious. We can judge the seriousness of a sin in two ways. The first is based on the matter of the sin, or what I actually did. For example, it is obviously more serious to assault a spouse than it is to lie about how fast I was going when I got stopped for speeding. Some things by their nature are objectively worse than others. A second way to assess sin is subjectively so that the intent is more important than the act itself. Even if an act is relatively minor, it can be a mortal sin depending on why I do it. For instance, I might fail to lock the front door of a friend’s house, which is not a serious sin in itself. It becomes serious if my intention in failing to lock the door is to leave the home open to burglary by an accomplice.

On the other hand, I might do something objectively serious (like betray an important confidence); but if I do it under coercion or without full understanding, my own moral culpability might be quite limited. The matter is mortal, but my own sin or moral responsibility is venial. Confessors often sort out the matter from the intent. It is not just what I do, but my freedom, understanding, and purpose in doing it.
