"Whoever does not accept the kingdom of God like a child will not enter it." This verse is part of a beautiful reflection on childlike faith. We're reminded of the innocence of children, how eager they are to experience life and how quick they are to trust. Rarely do we hear it with the story that immediately proceeds it. The Pharisees question Jesus on the lawfulness of divorce! Hardly the sort of thorny moral conversation one typically has in front of children. Yet here we are. Jesus' response goes further back than the Mosaic law. "From the beginning, God made them male and female ... the two shall become one flesh ... what God has joined together, no human being must separate." Jesus cites a particular set of passages from Genesis 1 and 2, before the Fall in Genesis 3. Adam and Eve possessed original innocence. How eager they were to encounter one another and to explore the garden! How immediate their initial trust in God. We no longer live in Eden. As we age in our fallen world, our childlike trust is wounded and betrayed. We become hardened to the beauties of life. We're quick to find a way around difficult moments.

In brief, things become complicated as we lose our innocence. The teachings of Christ and the Church on sexuality become more challenging or more objectionable. Jesus recognizes this in today's Gospel. His invitation is not to compromise with our broken reality. It is a return to beauty, to the fullness of life as it was meant to be. We can affirm our trust in God. We can view life with gratitude. We can experience healing of our lost innocence. This is possible today -- now! - by grace. Indeed, "the kingdom of God belongs to such as these."

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

EVERYDAY STEWARDSHIP

People can spend their entire lives looking for their most suitable partner. Some have an unattainable ideal in their minds that makes the search impossible. Others may choose a different partner over and over again without any real discernment, leading to a long series of breakups and heartache. Perhaps the greatest obstacle for people lies in their assumption that the most important criteria for choosing a partner is that the person they choose to love needs to be devoted to them and be faithful to them above all others. The truth is that if you want to have a suitable partner who you find yourself drawing ever closer to as the years go by, then the focus of both people involved needs to be on a much more important being than the two of you.

When I was a teenager, I remember seeing a triangle used as a visual aid in explaining how true love works. God is the top point and the two lovers, friends, or family members involved are the bottom points. If the two involved in the relationship love God more than each other, than in time it will be their love for the Divine that will bring them ever closer, like how a triangle narrows at the top point. The more I give of myself to my God, the greater I find my love is for my wife, my children, and my friends. A stewardship way of life will eventually strengthen all our relationships, for a surrender to the One who is love means an increase in the love we have to give to others. For those who continue to search for the "one," pause, pay attention, and see the One who has always loved you and will do so forevermore.

--Tracy Earl Welliver, MTS

What is the story behind the rosary?

The rosary is a sacred and popular Catholic devotion, but its origins are mysterious. Prayer beads to facilitate meditation began in the early ages of the Church. In the early medieval period, bead strings were used to count Hail Marys or Our Fathers. A tradition has developed that the rosary in its current form was given to St. Dominic by the Blessed Mother. However, the earliest biographies of the saint do not include this story. In the Middle Ages, the prayers were grouped into 50 Hail Marys with verses from the Psalms and vignettes from the lives of Jesus and Mary. By the 16th century, the Joyful, Sorrowful, and Glorious Mysteries were established.

The rosary rose to prominence in the late 1500s. The Turkish Empire was spreading across eastern Europe and pirates were raiding Christian ships. The Christian nations of Europe rallied for a great battle at sea. Pope St. Pius V urged all Christians to pray the rosary for victory. While vastly outnumbered, the Christian fleet was victorious at the Battle of Lepanto. The pope established October 7th as the feast of the Holy Rosary. Later, all of October would come to be known as the Month of the Rosary.

- 7) Samson fell in love with a Philistine woman and broke his father's heart by wanting to marry her instead of a woman among their own people.
- 8) When Samson took his parents to meet this woman of his dreams a big snake came out and Samson had to be saved by his father.
