SUNDAY IN ORDINARY TIME

Jesus said to her, "Woman, how does your concern affect me? My hour has not yet come." - Jn 2:4

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD. ©LPI

When you think of being Catholic, what do you think of? Perhaps you grew up with your only associations being fasting, nuns with rulers, and "Catholic guilt." Our faith can sometimes have the connotation of restriction and absence, not abundance. Who is God in your life? Is He the divine law-giver, the judge punishing the rule-breakers? These are certainly attributes of God. But the laws don't exist for themselves alone. They exist to help us love one another as God loves us. And this loving God is the author of abundance and joy.

Did you hear today's Gospel? "There was a wedding at Cana in Galilee." Here at this wedding, Jesus would perform "the beginning of his signs...and so reveal his glory." This first sign isn't a miraculous healing. He didn't raise someone from the dead. He kept a party going! "There were six stone water jars there for Jewish ceremonial washings, each holding twenty to thirty gallons...the water...had become wine." The wine has run out. Jesus creates somewhere between 120 and 180 gallons to help his friend save face. We may not have such momentous miracles in our lives, but God is watching out for us. The string of green lights when you're running late. The sale on the replacement appliance you need. The friend who calls at just the right time. These are the little moments of God's abundance. We just need to look for them!

Not only does Jesus surprise, but the guests point out to their host: "You have kept the good wine until now." The divine wine is better than the earthly variety. God's goodness is better than what we can grasp at for ourselves. Isn't that how it always goes?

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

CONVERSION OF ST. PAUL

On January 25th, we celebrate the apostle St. Paul. Paul's story is a testament to the power and love of God. Paul began his life as Saul, an idealistic young Pharisee. He was present at the stoning of the first Christian martyr, Stephen. Saul took it upon himself to track down and persecute professed Christians. On his way to a community in Damascus, he was struck by a blinding light and saw a vision of Christ who asked, "Why are you persecuting me?" The powerful experience transformed him forever. Paul, as he was now known, became one of the greatest evangelists of the early Church. Many of his letters are preserved in the Bible. His wisdom, zeal, and devotion lives on for all the Church.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

There are close to 7.6 billion people currently on earth. That is a lot of people! If you try to estimate how many people have collectively been born since the beginning of time, a good guess is 108 billion! It is hard to contemplate that many distinctly different human beings created by our God. In the midst of all those people, where do you and I fit? Can we really be created to make a difference in the world? One can feel very small and insignificant when reflecting on the numbers.

We render ourselves insignificant when we make the mistake of seeing ourselves as being just like everybody else. However, when looking at the numbers, how can one honestly think we are all the same? Another way we become insignificant is believing the lie that one person in the midst of so many does not have the power to make an impact. However, we all spend time reading books, watching movies, or listening to news about singular people who made all the difference in some part of the world. Imagine your own world without a few key people who have touched you and made a difference.

We are all created with unique gifts. We have those gifts that have been part of us from birth and those that have been imparted to us by the Holy Spirit. St. Paul tried to get the Corinthians to understand that reality when he explained to them the many gifts of the Spirit. Perhaps some of his audience back then thought they were insignificant. The message then remains the message today: God is counting on you to use what He has given you. If you don't, who will?

**Why do we do that?
Catholic Life Explained...**

Why do we have a liturgical season called ordinary time? Can you explain?

Ordinary time is the longest season of the liturgical year. It begins the Monday after January 6, the Epiphany, and goes until the Tuesday before Ash Wednesday, the beginning of Lent. That period can last anywhere from five to eight weeks, depending on when Easter is celebrated. Ordinary time picks up again the Monday after Pentecost Sunday and lasts from twenty-three to twenty-seven weeks, until the end of the liturgical year, the Saturday before Advent begins.

Why the name ordinary? "Ordinary" is not in contrast to "extraordinary" or "special" but rather stresses the Latin language notion of "ordinal" or numbered Sundays. The Latin title for the season, "tempus ordinarium," conveys the sense that this time of the year is measured or numbered time. Measured time can allude simply to the numbered Sundays, or the notion that these Sundays are a "measured" time to deepen and immerse ourselves completely in the realities of Jesus' incarnation, ministry, passion, death, and resurrection.

Ordinary time offers us the measured opportunity to connect the ordinary lived experiences of our lives with those of Jesus, who modeled for us how to live a truly human existence. As we experience the season of ordinary time, let us immerse ourselves in the extraordinary task of deepening our relationship with Christ in the ordinary events of life.
