"There once was a person who had a fig tree planted in his orchard, and when he came in search of fruit on it [he] found none." We live in a results-driven society. It can be easy to put pressure on ourselves to succeed. If we're not keeping up with the perceived "good life" of those around us, we feel anxious and disappointed. Some of the Gospel stories about fruitfulness can seem to play out in this fashion. "For three years now I have come in search of fruit on this fig tree but have found none. So cut it down." The message seems to be clear. Abide in God and bear fruit! Stand apart from God and be barren. But what happens when we're trying, but the growth we wanted doesn't seem to be coming our way? What if it feels like life just isn't bearing fruit?

This Sunday, Jesus gives us a sign of hope. "[The gardener] said to him in reply, 'Sir, leave it for this year also ? it may bear fruit in the future.'" How quick we can be to judge! Perhaps you started out Lent with high hopes and big ideas for getting closer to God. Maybe things haven't gone exactly like you thought. It can be easy to lose patience with our failures or slow growth. We shouldn't be too quick to assume that God has given up on us. He hasn't.

The same ideas apply to those around us. Perhaps we're the planter of the fig tree. We expect a certain amount of growth from someone in our life, and they just aren't measuring up. Let today's Gospel be a gentle nudge for mercy. As Lent continues to unfold, be patient with yourself and those around you. Wait for God to provide the growth.

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

## **LIVE THE LITURGY INSPIRATION FOR THE WEEK**

If salvation history teaches us anything, it's that God is very patient. Time and time again, people have wandered away from Him and He has sent prophet after prophet to lead them back. To show us just how much He does love us, He sent us His Son who revealed this unconditional love in all that he said and did. This Lenten season is an opportunity to repent and turn back. The mystery of God's presence is revealed in and through the ordinary events of life as the birth of Christ reminds us. God told Moses through the burning bush, "I am who am". And so he reminds us today. Let us turn away no more and turn back to truth.

**Why do we do that?  
Catholic Life Explained...**

Our Catholic grade school is doing a penance service this Lent. Do young children really need to go to Confession? How much sin can they really have?

Ask any mom about her children, and see how many would say she has a brood of perfect angels! Parents know that kids do things that are wrong? and they often know they're doing it! Even toddlers have a sense of right and wrong. The Church recognizes that their minds and consciences are not yet fully developed, however, and typically waits until age seven to offer the sacrament of Confession. Around that age and beyond, most young people, when asked, can easily explain why something is wrong.

Confession for children is an excellent way to help them reflect on their actions and accept responsibility for their behavior. It helps them to grow in their understanding of sin and how it affects others. This helps them to form their consciences and make better choices in the future. Most importantly, they learn the value of forgiveness, both given and received. Rather than singling out what's wrong, Confession offers hope and a new start! Children can grow in understanding God's unconditional love and develop a sense of inner dignity that transcends their failings. Not bad for five minutes and an "Our Father" or two!
