*Jesus said to his disciples: "The Advocate, the Holy Spirit, whom the Father will send in my name, will teach you everything and remind you of all that I told you."
- Jn 14:26*

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

Sixth Sunday of Easter Theology has two words to describe the space between God and us - transcendent and immanent. When we say God is transcendent, we speak of the One whose ways are not our ways, the placer of stars and maker of mountains. This is God who transcends our understanding, whose being goes beyond what we can know. When we say God is immanent, we mean His nearness to us. This is the way Jesus speaks of himself in today's Gospel. "Whoever loves me keeps my word... and we will come to him and make our dwelling with him."

The Hebrews saw God as intimately involved with the fate of their people. But for all His care, God was still distant to most. He spoke through prophets and was represented in blazes of fire and pillars of cloud. Priests offered animal sacrifice to atone for the nation's sins. While we still know that God is transcendent - any morning's resplendent sunrise confirms this - Jesus introduces us to himself in a new way. Not only does Jesus walk among us, but the Holy Spirit dwells within us. "The Advocate, the Holy Spirit... will teach you everything, and remind you of all that I told you. Peace I leave with you!"

How do you tend to view God? For many of us, the transcendent sense of a distant God might fill our perception. Today's Gospel reminds us of something altogether different, something more intimate. Our God remains with us. He overcomes the confusion of the world and speaks peace to our troubled hearts. Our God is not far from us. The more we remain connected to Him and love as He loved, the more we will experience His nearness. We can have confidence in His presence and rest in His encouragement: "Do not let your hearts be troubled or afraid."

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

Fr. Ray is providing his chapter by chapter thoughts on the book "Overcoming Lukewarmness" by Francis Fernandez-Carvajal. If you are interested in acquiring this book go to Scepter Press or Amazon.

Fr. Ray's Book Review

In chapter 9 we look at how sin affects Lukewarmness. Next to mortal sin, the greatest danger for the soul is venial sin. It weakens charity, it manifests a disordered affection for created goods, and it impedes the soul's progress in the exercise of the virtues and the practice of the moral good. Venial sin leaves us in spiritual mediocrity. It gives rise to insensitivity to divine things and a lack of capacity for the supernatural.

In our struggle against venial sin we need to employ supernatural means. Mere wanting is not enough, nor is unaided human effort. In the spiritual life, no enemy is small and none can be permitted to survive. Little by little the enemy takes over everything, because we did not resist at the beginning.

The saints would tell us that we need to try to avoid venial sins. If we commit a venial sin we need to seek a remedy as soon as possible. We must ask God for the grace never to lose sensitivity to venial faults, for that would mean losing the sensitivity to love. With the help of grace, knowing our faults will lead us to contrition, to being quick to ask pardon from the Lord.

Three things never change: the serpent, the poisons and the effective antidote. The antidote is piety. To reach heaven you must keep your eyes fixed on Jesus. Don't take your eyes off him. An elevated piety rejects on principle many things that stain the soul.

PRAYER FOR THE FALLEN

God our creator and sustainer, today our country brings to our memory those who have defended this nation in times of trouble.

They have sacrificed their lives to protect our shores from those who would limit our freedoms or enslave us to ways that are against your will. Bring all those who have died in service to our country into your heavenly presence.

We humbly call down your blessing on those still serving; grant your heavenly protection to these men and women, and open your Sacred Heart to give them peace and comfort.

In the name of the Father, and of the Son, and of the Holy Spirit.

Amen.

LIVE THE LITURGY - WEEKLY INSPIRATION

To listen openly and be willing to dialogue are the most effective ways to discern how to solve a problem. We must be open to the Holy Spirit and, under his guidance, allow our opinions to be challenged and changed. Learning to trust the active work of the Holy Spirit in all things releases us from fear and brings us closer to living in the peace Jesus promised. Scripture, Church teaching and practice, the wisdom of others in our community, our relationship with God, and the promptings and stirrings of our hearts all have to be weighed when making important decisions. This is how the Holy Spirit keeps us faithful to Christ and the Gospel and the way the Church brings resolution to questions that inevitably arise.

**Why do we do that?
Catholic Life Explained...**

Why is the Easter season so long? And should we be doing something special for it?

You've probably noticed the priest continuing to wear white vestments at the Sunday liturgy. While we celebrated Christ's resurrection several weeks ago, the Easter season extends fifty days - just over seven weeks - from Easter Sunday to Pentecost. For most of that time - about six weeks - Jesus is still with the disciples, teaching and encouraging them. The Easter season isn't just a celebration of when Jesus is with us. At the Last Supper, Jesus promised to send an "advocate" or "counselor" when he left. At the Ascension, he directs the disciples to await "power from on high" - the coming of the Holy Spirit. The Ascension completes the paschal mystery, beginning with Jesus' suffering and death and continuing in the resurrection. But the Holy Spirit ushers in a new era for the Church.

After spending weeks in prayer, fasting, and service during Lent, it may seem odd that we don't widely have similar practices for Easter. That doesn't mean you can't embrace the season! Commit to taking moments of little joy throughout the weeks, like random acts of kindness towards others. Consider reading the Acts of the Apostles to learn more about the early Church or picking up an Easter devotional to pray with. He is still risen indeed!

BULLETIN ANNOUNCEMENTS

Bulletin announcements for the Tri-Parish section of the bulletin are due by Monday evening at 5:00 pm. Parish specific announcements are needed by 5:00 pm on Wednesday in order to be included in the following weekend's bulletin. Announcements may be sent to Becky Moffat at triparish.bulletins@gmail.com or 307-277-9483.

EVERYDAY STEWARDSHIP

I often lead group prayer with similar words: "Give us the wisdom to know Your will for our lives and the courage to follow it as we seek to make our community a clearer reflection of the Kingdom of God." The words acknowledge that we need to be about God's will, not our own, and in that journey, we will bear greater witness to the transforming power of Jesus Christ.

We talk about how we are called to live a stewardship way of life and that we have been given many good gifts, but it is never truly about us. We are never the main thing. In the same manner, it is never really about our parish. Our combined stewardship may lead to many fruits, like an increased offertory or more vibrancy in parish life. However, it is always about the Kingdom of God and the King, Jesus Christ.

Through our stewardship, we allow our parish community to shine like a city on a hill for others to see and then be drawn toward Jesus Christ. It is about leading people to heaven. Our actions of stewardship do not point toward us but instead to the one who calls us to this life. Our constant prayer needs to be that we always seek to discern God's will and follow it instead of our own. By doing that, we can transform our own lives, our parish communities, and then the world around us.
