"After three days they found him in the temple, sitting in the midst of the teachers, listening to them and asking them questions, and all who heard him were astounded at his understanding and his answers." As we celebrate the feast of the Holy Family, this Gospel exposes us to a strange tension. While this family is one we can look to for an example, they are not quite the same family unit as everyone else. There is an otherness to Jesus, something profound. And yet, perhaps on second thought, are our families so different? When Mary and Joseph encountered Jesus in the temple, "they were astonished." But at what? Mary's response is surprised. They're not astonished that Jesus is preaching in a place for respected teachers. They're not astonished that their son has captured the attention of the wisest men of the time period. They're astonished at his seemingly disobedient behavior! "Son, why have you done this to us? Your father and I have been looking for you with great anxiety." All our children have an "otherness" about them, something that makes them unique and different. They are distinctly not "me." What will our own children become? What temple will they wander off to? Who will they astound?

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

Why do we do that? Catholic Life Explained...

What do we know about Joseph, Mary, and the rest of Jesus' relatives?

You may see pictures of Joseph, Mary, and a young Jesus on the feast of the Holy Family. What we do know of them has been treasured throughout the ages. Both Joseph and Mary came from the tribe of Judah and were distant descendants of King David. Tradition gives us the names of Mary's parents - Anne and Joachim - and we venerate them as saints. Joseph was a carpenter, and he taught Jesus his trade. We know that St. Elizabeth was related to Mary, and we call St. John the Baptist Jesus' "cousin."

In the Bible, we also see references to Jesus' "brothers and sisters." Who were these people? The most likely theory rests in the language of the time period. The Hebrew people spoke Aramaic. This language had no words for specific family roles. All male relatives were "brother" and all female relatives were "sister." Like many people of his day, Jesus had a large family! So large that he got lost and needed to be found in the Temple. When you think of the Holy Family, remember that Jesus probably had quirky uncles, nosy aunts, doting grandparents, and cousins to play with, just like us!

LIVE THE LITURGY

Families are complicated systems. They can be the most transforming or the most hurtful of experiences. Our families of origin have a huge claim on who we are and who we will become. While families need to help us fulfill some of our human needs, this cannot be their sole purpose or focus. Healthy and happy families consist of folks who always have their eyes on the needs and best interests of the other individuals who make up their family unit. We live in the greater family of the world, which is also God's family. It can't only be about us. We must focus our gaze on the needs and well-being of our brothers and sisters. This whole seeing allows us to see others as God sees them. The Holy Family is the perfect example of how all families can work: our families of origin, the families in which we now find ourselves, and the family of our world. May we look to their example in helping us fine-tune our systems of family life so that God's presence can truly be revealed in and through them!

ST. ELIZABETH ANN SEATON

Celebrate the first American-born saint! St. Elizabeth Ann Seton was born in New York City in the late 1700s and raised Episcopalian. She married William Seton. Together they had five children. He fell ill, and the family moved to Italy for his health. While there, Elizabeth discovered Catholicism. Her husband eventually passed away, but God had more plans for the Seton family. Elizabeth felt a further stirring in her heart. She opened a school for girls in 1808. The calling grew. Within a year, Elizabeth had founded the Sisters of Charity, the first community for religious women established in the United States. Their work established the first Catholic school system in the country. On her feast day this January 4th, pray for our teachers and students!

MARY, MOTHER OF GOD

This solemnity is a rather recent addition to the cycle of seasons, Sundays, and feasts in our liturgical year. We have Pope Paul VI to thank for the 1974 enshrining of the devotion to Mary into our calendar on January 1. It is also a day in our calendar as a World Day for Peace.

Let us pray...

God of heaven and earth,
you came to us and took our earthly flesh
through the gift of Mary's yes.
She is our Mother in faith,
as she is your earthly mother.

We are thankful beyond our ability to thank you
for the gift of her Son as our brother and savior.
Through her self-giving,
we have been reconciled to you.

Bless us as we begin this New Year
and endow us with the desire and ability
to create a world of peace.

We ask all this,
through the intercession of Mary to you,
one God, Father, Son, and Holy Spirit.
Amen.
