THE SOLEMNITY OF THE MOST HOLY TRINITY

"Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit." - Mt 28:19

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

©LPI

Happy Trinity Sunday! In today's Gospel, we hear Jesus declare together all three Persons of the Trinity. "Go therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit." When we speak of the Trinity, two different theological words are sometimes used: immanent and economic. The immanent Trinity is the life of the three Persons within themselves, the inner harmonious relationship between Father, Son, and Spirit. We see this in the Gospels when Jesus speaks of his Father and promises to send the Holy Spirit. The term "economic" has its roots in the Greek word *oikonomia*, roughly meaning "household management." The economic Trinity is our three-Personed God's relationship with creation; it is creation and redemption and ongoing relationship with us. Made in the image and likeness of God, we are called to imitate God's immanence by giving and receiving love with one another in community. However, this is not limited only to those close to us, though that's where love often starts. We also imitate the economy of God when we go out, when we extend our love and care in a life-giving way. "Go therefore?" Every believer is sent on mission. Every believer is invited to follow Jesus and the Apostles "to the nations," to the margins, to the people who require a little extra reach. This could be a distant relative, the residents of your local homeless shelter or even the forgotten neighbor next door! When we love well, we create something beautiful—a relationship, a holy moment, a foretaste of heaven. This Trinity Sunday, take some time to examine the relationships in your life. How well do you love those nearest to you? How well do you reach out to those farther away? How are you creating something beautiful?

Welcome! It is our hope that you feel at home and among friends here. If you are a visitor for the day, we pray God's speed on your journey. If you are looking for a parish community, we would be delighted to welcome you into our parish family. Please introduce yourselves. To register in one of our parishes, please visit the St. Rose office at 605 East 22nd Ave in Torrington or call 532-5556.

Answers from May 20:

Actually all of the songs listed are great teaching moments for our faith. They all deal with the First Part of the Catechism, and teach us the importance of knowing our faith. Music helps some to learn the different components of our faith. So next time there is a difficult trivia question, just stop and think about some of the songs that we sing at Mass. If you want to study about Music and the Liturgy, the U.S. Bishops Web site or calling them to purchase some material at 1-800-235-8722, they will be more than helpful. Or see the website for Liturgical Press, they have a number of things published concerning the ministry of music.

Dear Padre

Did Jesus know that he was God?

Everyone, Jesus included, has self-knowledge—at least in principle. For example, even though we know that we are individual human beings, we still find it almost impossible to formulate what that really means. Saint Thomas Aquinas explains that our knowledge of all things is conceptual—we make abstractions, express them in concepts, and think by combining these concepts. But self-knowledge is the one exception—it is intuitive knowledge, not conceptual, and extremely difficult to formulate in concepts. Did Jesus know that he was God? Yes, intuitively. But if it's hard for us to express what we somehow sense as our basic humanity, imagine how difficult it would have been for Jesus to express what he profoundly grasped as his divine/human self-identity. His knowledge of his radical selfhood would have been a genuine self-awareness of who he truly was—both God and human—but he wouldn't have been able to express it in a conceptual way. Jesus was able to build upon this profound, intuitive self-knowledge. Human beings perceive they are human early in life, but they know even more when they're forty than when they are twenty. A similar deepening perception took place in Jesus. Through life experiences, Jesus constantly discovered what being divine in human circumstances implied. That's why Hebrews 5:8 says he "learned obedience through what he suffered." How wonderful it is to have Jesus, true God and true human, as our Savior.
